

## Christ Church & Holy Trinity School Testimonial

---

"We are totally satisfied with the service that SBS provides and would highly recommend them to other schools. Russ and his knowledge are invaluable to us, nothing is ever too much trouble, he is proactive, always quick to respond and we don't know where we would be without him!"

"I am incredibly happy for the service I receive from SBS in regards to our finance consultancy SLA. Russ is incredibly knowledgeable and helpful in all aspects of assisting our school with its finance. He is approachable, friendly and very diligent. We are very lucky to have Russ support our school and I couldn't do it without him.

We are also very lucky to have great IT support from SBS with Dean Harwood. Although he is relatively new to our schools he has fitted in really well and very quickly got to the grips with how the school works. He is very knowledgeable and really great to have onsite for IT related queries and advice."
