

The Oak Partnership Testimonial

"Today is Suzanne's final working day for us.

I just wanted to say a big thank you for all the work you have done for Oak over the last year. We are really making progress now and we could not have got to this stage without your support.

I have found you to be very professional, pro active and accommodating, and have appreciated your skills and knowledge of the Education sector.

I hope all goes well for you in the future."
